Leon Valley Water System

CITY OF LEON VALLEY WATER AND SEWER SYSTEM DECLARATION OF INTENT TO CHANGE WATER RATES

As many of you are aware, the City of Leon Valley will be performing some major repairs to the Leon Valley Water Utility System. The existing water wells have outlived their useful life and other repairs to the entire system will be performed at the same time. To pay for these repairs, the City Council adopted an Ordinance that increases water rates, effective with the October 2016 water billing cycle. The following charts show the increased rates:
